

**Dear Students,**

**Thanks for great interest for International Week (IW) 2014 registrations. You can find the instructor based student lists for IW at the following link. The list of students are prepared through registration timing and instructor preferences of students. We would like to kindly remind you that if you don't attend to any class and kick-off meeting of IW, you won't have course ECTS and you won't have a chance to make a registration for IW next year.**

**Please follow the announcements about IW from our Web Site and Facebook page. We wish you a good exam period.**
